AI-Powered Decision Intelligence

- ✓ Analyze data instantly with Copilot
- ✓ Uncover risks before they escalate
- ✓ Reveal opportunities as they happen
- ✓ Ask questions and get real-time answers
- ✓ Highlight emerging performance trends

The screenshot displays a 'Comment List' table and a Copilot chat interface. The table lists comments with columns for 'No.', 'Date', and 'Comment'. The Copilot chat window shows a search bar, a 'Find' button, and a list of prompts: 'Explain & Guide', 'Ask', and a custom prompt 'Show me the last 10 comments for this customer.'.
